Summer 2014

G'devening

As the first part of the *'Digging For Root Tour 2014'* showed us a vital Bacon Fat we didn't see in about 10 years we can say expectations are there for the second leg of the tour. The last few months BF was very busy with writing and rehearsing new stuff. That will be smashed on tape (i.e. hard-disk) in August to finalize the new demo which the band started in October last year. Meanwhile you can catch us on the road...

'Digging For Root Tour 2014'

29/03/2014: B52, Eernegem

Standard good Bacon Fat show with only few attendants. Good fun though plus a ticket to play during the Unimotorcycle Drag Race in Middelkerke in August.

12/04/2014: Le Troubadour, Metz (FRA)

First ever show in France (it took about 14 years) and we can say: great venue, great show and great atmosphere! Opening act **Dirty Red Shirts** did a great job as a warm up for the boys. Bacon Fat went through a blast of a set and made sure the attendants would not forget this evening. Thanks to Djool and his madame for arranging EVERYTHING overthere!

26/04/2014: POGS Irish Pub, Rheydt (Mönchengladbach) (GER)

Third show at the POGS and again great fun. As usual Bacon Fat did three sets of 45 minutes, though they all seemed closer to an hour. Back in September for the next visit!

Here's the set:

SET1: *Hallelujah, Beer Drinkers & Hell Raisers, Rub Top Shuffle, Rock 'n Roll Lover, My Baby 'n Me, Motorcycle Hotel, She Got Me, Shake That Ass, Liberty Bell*

SET2: *You Better Get Running, Talking Jayme, One on One, Dig it Up, Sevcan, Lazy, Heartbreaker, L.A. Woman, Plain Sustain*

Fiesta du Rock 2014

Bacon Fat will honour a long tradition by appearing at the Fiesta du Rock Festival in Flémalle later this year. This is the first year the festival is split into an open air weekend in June and an indoor weekend in October. The latter will be more focused on rock music.

But what about the aforementioned tradition? Well, we'll have to go way back to the early days of Bacon Fat. The band had just released their first demo simply called 'Bacon Fat'. A copy of it was sent to several festivals and the guys at Fiesta du Rock were really into the whole thing. So in June 2002 Bacon Fat played on the main stage as second band of the day at about 14h00. The band obviously did a great job as they found themselves headlining the second stage on Saturday night the next year.

Two years later in 2005 they did exactly the same thing. This would be the last time with the original line up of the band.

In 2008 Bacon Fat again finished the Saturday program tearing the place down on a double headliner bill with Peter Pan Speedrock.

So now in 2014 we are happy to announce that Bacon Fat will return to Fiesta du Rock. The boys will play on Saturday October 18th around 22h45 at the indoor part of the Festival. Stay tuned for further details.

Demo part 2

In August the band will start the second series of recording sessions for the new demo. The first series were recorded in late 2013. These recordings will mark the base for the production of the upcoming album which might be expected somewhere late 2015/early 2016.

The August sessions will cover 4 re-recordings of songs from the first sessions, a cover version of a **Big Sugar** song (did anybody say reggae there?) plus 3 newly penned original Bacon Fat anthems. That means there's already 11 new originals ready and by the time the recording of the album starts there might slip in some more.

To jump to a conclusion: nobody has an idea how many songs will appear on the next album, nor which songs will make it. That's something only time will tell... plus it's also the reason we call it a bloody DEMO !
